  - 3.1.a. Authorized Users may download, search, retrieve, display and view, copy and save to a Secure Network or other electronic storage media and store or print out single copies of individual articles, chapters or entries in the Licensed Electronic Products for the Authorized User's own personal use, namely scholarly, educational or scientific research or internal business use. Authorized Users may also transmit such material to a third-party colleague in hard copy or electronically, for personal use, namely scholarly, educational, or scientific research or professional use but in no case for re-sale, systematic distribution, e.g., posting on a listsery, network (including distribution through social networking websites and scholarly collaboration networks, except for those that have agreed to Wiley's Article Sharing Policy found here: https://onlinelibrary.wiley.com/researchers/toolsresources/article-sharing and solely in accordance therewith) or automated delivery, or for any other use. In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from individual articles, chapters or other entries from the Licensed Electronic Products in the Authorized User's own scientific, scholarly and educational works such as books and articles. This right does not extend to use of material, including images or figures that are separately listed as the copyright of a third party.
  - 3.1.b. All Authorized Users have the option to create a My Profile Page, which will allow them to create data files and links to articles, chapters and entries of interest in the Licensed Electronic Products, and search criteria, which may be reused by them. In order to do so, the Authorized User will have to select and register a username and password which the Authorized User must keep confidential and not disclose to or share with anyone else.
  - 3.1.c. The Customer and its Authorized Users may create links to Wiley Online Library from their Online Public Access Catalog (OPAC) records, library catalogs, link resolvers, locally hosted databases or library web pages, provided those links are operated by the Customer on a Secure Network, do not result in access to licensed content by anyone other than Authorized Users, and are not used in connection with any paid or commercial service or for any other commercial use whatsoever. Authorized Users may search, view, and browse Licensed Electronic Products using the interface provided by Wiley. Automated searching, robotic searching and decompilation are strictly prohibited, except as permitted under paragraph 3.1.f below.
  - 3.1.d. Authorized Users who are members of the Customer's faculty or staff may download and print out multiple copies of material from Licensed Electronic Products for the purpose of

making a multi-source collection of information for classroom use (course pack) or a virtual learning environment, to be distributed to students at the Customer's institution free of charge or at a cost-based fee. Material from Licensed Electronic Products may also be stored in electronic format in secure electronic data files for access by Authorized Users who are students at the Customer's institution, as part of their course work, so long as reasonable access control methods are employed such as username and password.

- 3.1.e. The Customer's library staff may supply to another library, upon request by that library, either a single paper copy or an electronic copy of an individual document from the Licensed Electronic Products, for the purpose of research or private study. The electronic copy must be in PDF format, supplied by secure electronic transmission and must be deleted by the recipient library immediately after printing a paper copy of the document for its user.
- 3.1.f. Authorized Users who wish to text and data mine the Licensed Electronic Products for non-commercial purposes may do so using the Wiley TDM API. Authorized Users will need to accept Wiley's Text and Data Mining Agreement to receive an API token and follow the terms and conditions published under https://www.onlinelibrary.wiley.com/library-info/resources/text-and-datamining.
- 3.2. Except as provided in paragraph 3.1 above or with respect to material published on an open access basis, Authorized Users may not copy, distribute, transmit or otherwise reproduce, sell, or resell material from the Electronic Products; post or store such material in any form or medium in a retrieval system, network or listserv; or transmit such material, directly or indirectly, for use in any paid service such as document delivery or list serve, or for use by any information brokerage or for systematic distribution, whether or not for commercial or non-profit use, or for a fee or free of charge.
- 3.3. The Customer and its Authorized Users may not remove, obscure or modify any copyright or proprietary notices, author attribution or any disclaimer as they appear on Wiley Online Library and the Electronic Products. Authorized Users may not integrate material from the Electronic Products with other material or otherwise create derivative works in any medium. However, brief quotations for purposes of comment, criticism or similar scholarly purposes are not prohibited herein.
- 3.4. Authorized Users may not do anything to restrict or inhibit any other Authorized User's access to or use of Wiley Online Library and the Licensed Electronic Products.
- 3.5. If an Authorized User fails to abide by these Terms and Conditions of Use or other terms of this Agreement, or a Customer hosts an authentication method and parameters that have been identified as abusive or malicious, Wiley reserves the right in its sole discretion to suspend or terminate access to Wiley Online Library and the Licensed Electronic Products by such Authorized User or authentication method and parameters immediately without notice, in addition to any other available remedies. Except in the case of a material breach which Wiley deems dangerous to the integrity and security of Wiley Online Library, or for a breach which, if not immediately remedied, is likely in Wiley's opinion to continue to cause damage, Wiley shall give prior written notice to the Consortium and the Customer of its intention to terminate such access and shall allow the Consortium, the Customer, and/or the Authorized User as applicable 30 days after receipt of such notice to cure the breach or agree to abide by the terms and conditions of this Agreement. The Consortium and/or the Customer shall notify Wiley when malicious credentials associated with offending authentication method and parameters have been remediated. Wiley shall immediately restore services upon notification that credentials associated with the abusive or malicious activity have been remediated.

- 7.2. Wiley may terminate access to Wiley Online Library of an Authorized User who breaches Wiley's Terms and Conditions of Use or infringes the copyright or other Intellectual Property Rights in the Electronic Products, Wiley Online Library, or any other Wiley platform, and the Customer shall assist Wiley as necessary.
- 7.3. Either party may terminate this Agreement if the other party materially breaches its obligations under this Agreement and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 60 days after receipt of such notice to remedy the breach.
- 7.4. During the term of each applicable Appendix, the Customer may license additional Electronic Products under such Appendix and this Agreement. If the Term of the Agreement as set forth in paragraph 7.1. is extended, the term of the applicable Appendix will be automatically extended to run concurrently with the Term of this Agreement in order to allow the Customer to continue to license additional products under such Appendix in subsequent years. Notwithstanding anything to the contrary, the Appendix term may never exceed the Term of the Agreement.
- 7.5. Upon expiration or termination of this Agreement, the parties agree to work together in good faith to negotiate a new agreement. With the exception of any perpetual access rights as set forth in Appendix B, Wiley reserves the right to discontinue access to the Licensed Electronic Products in the event that no new agreement is executed and no fee for the continued access to the Licensed Electronic Products has been paid.

### WARRANTY AND DISCLAIMERS

8.1. Wiley represents and warrants that it has the right and authority to make the Licensed Electronic Products available to the Customer and its Authorized Users pursuant to the terms and conditions of this Agreement and that, to the best of Wiley's knowledge, the Licensed Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.

- 8.2. Wiley Online Library and the Electronic Products may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.
- 8.3. Except for the warranties provided by Wiley in paragraph 8.1 above,
  - 8.3.a. WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS, AND ALL MATERIALS CONTAINED THEREIN, ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;
  - 8.3.b. THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY, AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK:
  - 8.3.c. ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
  - 8.3.d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, OTHER PLATFORMS DESIGNATED BY WILEY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN SUCH PLATFORMS, SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, OTHER PLATFORMS DESIGNATED BY WILEY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
- 8.4. Wiley will indemnify and hold the Customer harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Customer arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Customer's use thereof constitutes an infringement of any copyright, patent, or trade secret of any such third party. This indemnity will survive termination of the Agreement for two years. This indemnity will not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Customer has failed to comply with other material terms of this Agreement.
- 8.5. The Customer shall give prompt notice of an infringement claim to Wiley, provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and allow Wiley to have the sole control of the defense, provided, however, that the Customer retains the right to participate in the defense at its own expense.
- 8.6. Customer represents and warrants that it has the full power and authority to enter into this Agreement and act on behalf of the Member Institutions.

### **CONFIDENTIALITY PROVISIONS**

9.1. While negotiating this Agreement and during the Term thereafter, Wiley may provide the Customer with certain information, which may be oral or written (including information in electronic format), which is deemed confidential. For the purposes of this Agreement, Confidential Information is defined to include, but is not limited to, the terms and conditions of this Agreement that have been negotiated, such as financial terms, the substance of all negotiations relating thereto,

- all information pertaining to Wiley Online Library (and other platforms designated by Wiley) which is proprietary to Wiley, and any other material which has either been marked "confidential" by Wiley or which, by the nature of the circumstances surrounding the disclosure, would be understood to be confidential by a reasonable party.
- 9.2. The Customer may only use Confidential Information for the purposes of negotiating and implementing this Agreement. The Customer agrees to take reasonable care to protect the Confidential Information from disclosure to third parties and to limit disclosure of the Confidential Information to those employees or contractors of the Customer including affiliates of the Customer who have a need to know in connection with this Agreement, and who have been made aware of, and agree to abide by, these restrictions. When disclosure is legally mandated, the parties will use, whenever possible, a version of the Agreement without Confidential Information.
- 9.3. A redacted version of the Agreement may be made public 30 days after the last day on which it has been duly executed by both parties, and all fees paid by each Customer will be kept confidential and redacted from any public disclosure whenever possible.

### **GENERAL PROVISIONS**

- 10.1. The Consortium and Wiley will work together on a joint communications plan for the announcement of the Agreement, agreeing to the content and timeline for messages to stakeholders (such as librarians, authors, university leaders) as well as public statements and press releases.
- 10.2. Wiley may assign this Agreement to its successors, subsidiaries or assigns. This Agreement may not be assigned by the Customer except with the prior written consent of Wiley.
- 10.3. Prior to taking any legal action, the parties agree to meet and confer in good faith on any matter of controversy, claim, or dispute arising under or relating to this Agreement or a breach thereof (each, a "Dispute"). If the parties are initially unable to resolve the Dispute, they will escalate as appropriate and may, if both parties agree, refer any unresolved Disputes to mediation. Mediation shall be in English and shall be confidential based on the terms acceptable to the appointed mediator.
- 10.4. In the event of a material breach of the terms and conditions of this Agreement by either party, the non-breaching party will be entitled, in addition to any other remedies available pursuant to this Agreement or at law, to equitable, including injunctive, relief.
- 10.5. Notwithstanding any other term in this Agreement, neither Party's delay or failure to perform any provision of this Agreement due to circumstances beyond its control (including, without limitation, war; civil disorder; strike; flood; fire; storm; accident; terrorism; governmental restriction; infectious disease; epidemic; pandemic; public health emergency; embargo; power, telecommunications or Internet failures; damage to or destruction of any network facilities; the enactment of any law, executive order, or judicial decree; or any other circumstance beyond a Party's control whether similar or dissimilar to the foregoing) ("Force Majeure") will be deemed to be, or to give rise to, a breach of this Agreement. The Party claiming Force Majeure will provide written notice of the circumstances (where possible) and will be entitled to a reasonable extension of time for performing such obligations. Where Wiley is claiming Force Majeure, Wiley will be entitled to implement a reasonable alternative where practical under the circumstances and if its inability to perform continues for more than 30 days or it is inadvisable or commercially impractical to perform due to Force Majeure, Wiley may terminate the Agreement without penalty or charge, on written notice, and Wiley's performance will be fully excused.

- 10.6. Any notice, request, statement or other communication to be given hereunder to any party must be in writing addressed to Wiley at the address on page one, attention Executive Vice President and General Counsel, and to the Customer's Agreement Administrator at the address in Appendix A, or mailed or delivered to such other address as each party may designate by notice given in like manner, and any such notice, request, statement or other communication, will be deemed to have been given when received, except that if mailed by registered or certified mail, return receipt requested, or delivered by overnight courier service, it will be deemed to have been given when mailed as aforesaid or when delivered.
- 10.7. Subject to clause 10.1.a. below, the Agreement constitutes the complete understanding of the parties and supersedes all prior understandings between the parties with respect to the subject matter of this Agreement. No modification, amendment, or waiver of any provisions will be valid unless in writing and executed by the parties. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement will not be considered a waiver of any succeeding or preceding breach. In the event that any paragraph of this Agreement is determined to be void or unenforceable, the remainder of the Agreement will survive.
  - 10.7.a. If there is an existing and valid agreement between Wiley and the Customer for the Licensed Electronic Products for the same term as the Term under this Agreement, Wiley will either issue a credit note or process a refund for any Licensed Electronic Product purchased by the Customer under the previous agreement. This Agreement supersedes all such previous existing agreements and such previous agreements are deemed terminated upon execution of this Agreement. This will not affect any invoice under this Agreement.

### APPENDIX C - PUBLISHING PRIVILEGE

### 1. General.

- 1.1. Wiley agrees to the open access publication of Eligible Articles in Hybrid Journals as requested by Eligible Authors through the agreed workflow outlined below. Eligible Authors publishing under this Agreement grant Wiley the right to publish their articles under a Creative Commons license subject to the provisions of their author agreement. Eligible Authors will be able to select the following Creative Commons licenses: Attribution 4.0 International (CC-BY 4.0), Attribution Non-Commercial 4.0 International (CC-BY-NC 4.0), or the Creative Commons license Attribution Non-Commercial Non-Derivative 4.0 International (CC-BY-NC-ND 4.0) for the publishing of their articles. Wiley shall encourage Eligible Authors to publish with the CC-BY license and the publication workflow shall, whenever possible, direct them to CC-BY as the first option.
- 1.2. The Publishing Privilege will commence for articles accepted seven days (or less than seven days subject to Wiley's written confirmation) from the date of Wiley's receipt of the Agreement duly executed by the Customer and the Customer's written commitment about the invoicing of the fees under this Agreement, whichever is later (the "Publishing Privilege Start Date"), and end for articles accepted on and including December 31, 2021.
- 1.3. Under the standard hybrid publication workflow, if the Eligible Author has identified his/her affiliation with a Member Institution by selecting from a standardized list of institutions in the electronic editorial office submission and Author Services systems, the Eligible Author will be presented with a choice of publishing options. The authors may elect to not publish open access. Wiley will include sufficient information and guidance for Eligible Authors that Eligible Articles are meant to be published open access as part of this Agreement (so long as the correct affiliation of the Eligible Author is captured in Wiley system metadata) and that they do not need to pay a fee for open access publication of their articles.
- 1.4. For any current journals that follow a non-standard hybrid publication workflow, the Eligible Author of any Eligible Articles who has identified his/her affiliation with a Member Institution in the electronic editorial office submission system will also be presented with a choice of publishing options and Wiley will make reasonable efforts to inform the Eligible Author that the articles are meant to be published open access as part of this Agreement.
- 1.5. The Member Institution has the right to deny funding requests for articles to be published under this Agreement if an author is not an Eligible Author and is not affiliated to a Member Institution.

## 2. Wiley's Obligations.

- 2.1. In consideration of the payments listed in this Appendix and subject to the terms and conditions of the Agreement, Wiley will:
  - 2.1.a. not charge an Eligible Author an APC for any Eligible Article submitted by such Eligible Author that is accepted for publication in a Hybrid Journal, provided the Eligible Author submits said material according to Wiley's WOAA workflow and reasonable funds remain in the Customer's WOAA to cover the APC. If an Eligible Author requests Wiley to change the publication basis (i.e. make their article open access when they originally opted not to make their article open access) of their submission prior to publication, Wiley will do so; changes cannot be made post-publication. Any APC incurred outside the WOAA workflow is not covered by this Agreement.
  - 2.1.b. include the Customer in Institutional Account List for all Hybrid Journals as an institutional account holder;
  - 2.1.c. provide a link for the Customer on the Institutional Account List;
  - 2.1.d. identify on Wiley Online Library the articles that are available on an open access basis in the Hybrid Journals;
  - 2.1.e. provide quarterly reports to the Customer within one month of the end of each quarter that includes a breakout of all Eligible Articles approved by the Member Institution pursuant to the verification process detailed below. The reports will be in a machine-readable format of all articles from authors affiliated with the Member Institution published in Wiley's Hybrid Journals, indicating the journal type. The reports will include one or more of the following fields:

- Name and email address of the Eligible Author
- Eligible Author's affiliation(s)
- Date of acceptance
- Online publication date
- Journal Title
- Article title
- Article type
- DOI and a link to the published article
- license type
- Funding organization (research funder when available)
- APC cost and date of approval in Dashboard (when applicable)

Not all of these fields are available for every article. Wiley will include the available fields.

## 3. Verification process.

- 3.1. Eligible Authors will be identified through at least one of the following parameters: their organization name; their e-mail domain persistent identifier, such as Ringgold or another recognized institutional identifier.
- 3.2. The Member Institution will review the pending request, verify if the author is affiliated with the respective Member Institution, and approve or deny their article within their Wiley Open Access Account Dashboard ("WOAD"). Requests will be handled promptly by the Member Institution with the goal of approval or denial of the request within 5 business days. If the Member Institution requires more than 5 business days for confirming or denying if an author is affiliated, the Member Institution shall notify Wiley and Wiley will provide an extension for the requested number of days. The article record in the dashboard will include all necessary metadata including, but not limited to, name, ORCID (if provided) and email address of all authors, full name of author's affiliation (e.g., university), acceptance date, journal title, article DOI (if applicable), article title, article type, amount of the APC.
- 4. Editorial Independence. Nothing herein will oblige Wiley to publish any article submitted to Wiley by an Eligible Author. The Customer acknowledges that the selection of material to be published in the Hybrid Journals is entirely at the discretion of Wiley/the editors of the Hybrid Journals and the Customer waives any claim it may have against Wiley in the event that Wiley or its editors refuse or decline to publish any material (or part thereof) submitted by an Eligible Author. An article will be considered to be selected for publication once the Eligible Author has been notified that the article has been accepted and Wiley has received the applicable publishing agreement for the Hybrid Journal signed by the right holder(s) of the article.
- 5. Terms of Publication. The Customer acknowledges that before the version of record is published, the Eligible Author and (if different) the owner of any copyright in such material will be required to agree to the applicable terms and conditions of publication (including without limitation the terms relating to open access). The Customer will ensure requests from Wiley to validate Eligible Authors are answered within 5 business days.
- 6. Fees.
  - 6.1. The annual payment of the Publishing Privilege Fee ("the APC fund" and as set forth in Appendix D) will fund the WOAA balance administered by the Member Institution.
  - 6.2. The APC levied by Wiley for open access publishing in Hybrid Journals during the Term will be at Wiley article publication charge list price for the journal, which Wiley has discounted for the benefit of the Customer by 15%.
  - 6.3. APCs due for each Eligible Article are deducted from the total annual APC Fund for the Member Institution on a first-come first-serve basis until such time as the total APC Fund for the current year has been reached.
  - 6.4. If there are funds remaining in the APC Fund of any Member Institution on December 31, 2021, the remainder of the unspent amount, up to 10% of the total Publishing Privilege Fee as set forth in Appendix D, may be transferred to a new APC Fund that will be used for publishing articles open access in Wiley's full open access journals by April 30th, 2022. If there is a remainder and the

- Consortium elects to exercise this option, Wiley and the Consortium will work together to set the necessary WOAA accounts which will be managed by the Consortium.
- 6.5. In the event that the balance of the APC Fund is no longer sufficient for coverage of any APCs before the end of a given year, the Consortium may deposit additional funds in the APC Fund, or the Member Institutions may elect to set up individual WOAA accounts and deposit additional funds in such accounts. Subject to the workflows set forth in paragraph 1.3. and 1.4. of this Appendix and the successful verification of the Eligible Author that they are a member of a Member Institution within Wiley workflows, APC charges for Hybrid Journal publications made through these WOAAs will be at APC list price for the journal with an agreed discount of 15% applied to that list price.
- 6.6. In the event that the balance of the APC Fund is nil before the end of a given year, and unless the Member Institutions deposit additional fees to the WOAA or set-up individual Member Institution post-pay WOAAs, Eligible Authors will not follow the Agreement workflows for subsequent articles. Articles accepted for publication and elected for open access in the same year will be charged an APC.

#### **MUTUAL OBLIGATIONS**

- 5.1. Wiley will:
  - 5.1.a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this Agreement, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider).
  - 5.1.b. provide aggregate usage statistics to the Customer which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Customer's Authorized Users, consistent with applicable privacy laws and confidentiality requirements;
  - 5.1.c. publish on an open access basis Eligible Articles submitted by Eligible Authors who have selected the open access option in the workflow provided by Wiley, subject to the terms set forth in Appendix C.
- 5.2. The Customer will:
  - 5.2.a. take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use stated above in paragraph 3 and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein:
  - 5.2.b. make access available to Authorized Users only through the Customer's Secure Network and using the authentication method(s) and valid parameters set forth in Schedule 1 or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of the

- 5.2.c. provide Wiley with information in Schedule 1 about the Customer's specific authentication method and valid parameters which can be used by Wiley to authenticate Authorized Users. The Customer represents that all such authentication method and parameters shall be limited to the Customer's Secure Network and shall be listed in Schedule 1 as updated from time to time. The Customer is responsible for ensuring that all specific authentication method and valid parameters on Schedule 1 or otherwise provided to Wiley correspond with the Customer's valid parameters and are limited to the physical addresses specified in this Agreement. Without limiting the Customer's obligations hereunder or Wiley's rights and remedies in the event of breach, the Customer agrees to pay Wiley, if Wiley so elects, for any access to Wiley Online Library (or other platforms designated by Wiley) for any Parameters that do not meet the preceding criteria.
- 5.2.d. use all reasonable efforts to monitor compliance with the Terms and Conditions of Use and promptly notify Wiley of any copyright infringement or unauthorized usage of the Electronic Products, which comes to the Customer's attention; and cooperate fully with Wiley in the investigation of such infringement or unauthorized use and in any action, which Wiley takes to enforce its copyright and other Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, the Customer will not be responsible for such unauthorized use which is without the express or implied consent of the Customer, provided that the Customer has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.
- 5.2.e. except with respect to material published on an open access basis, neither the Customer nor any Authorized User has the right to incorporate any material from the Electronic Products into any institutional or other repository. Author agreements are separately negotiated with Wiley and include provisions about what authors may and may not do with respect to materials authored by them and published by Wiley (including social networking websites and scholarly collaboration networks, except for those that have agreed to Wiley's Article Sharing Policy found here: <a href="https://onlinelibrary.wiley.com/researchers/tools-resources/article-sharing">https://onlinelibrary.wiley.com/researchers/tools-resources/article-sharing</a>).

#### PRIVACY AND DATA PROTECTION POLICY

#### TERM AND TERMINATION

- 7.1. The Term of this Agreement commences on \_[Insert Start Date]\_ and ends on \_[Insert Agreement End Date] .
- 7.2. Wiley may terminate access to Wiley Online Library of an Authorized User who breaches Wiley's Terms and Conditions of Use or infringes the copyright or other Intellectual Property Rights in the

- Electronic Products, Wiley Online Library, or any other Wiley platform, and the Customer shall assist Wiley as necessary.
- 7.3. Either party may terminate this Agreement if the other party materially breaches its obligations under this Agreement and fails to cure such material breach, provided that the non-breaching party shall give written notice of its intention to terminate and shall allow the breaching party 60 days after receipt of such notice to remedy the breach.
- 7.4. During the term of each applicable Appendix, the Customer may license additional Electronic Products under such Appendix and this Agreement. If the Term of the Agreement as set forth in paragraph 7.1. is extended, the term of the applicable Appendix will be automatically extended to run concurrently with the Term of this Agreement in order to allow the Customer to continue to license additional products under such Appendix in subsequent years. Notwithstanding anything to the contrary, the Appendix term may never exceed the Term of the Agreement.
- 7.5. Upon expiration or termination of this Agreement, the parties agree to work together in good faith to negotiate a new agreement. With the exception of any perpetual access rights as set forth in Appendix B, Wiley reserves the right to discontinue access to the Licensed Electronic Products in the event that no new agreement is executed and no fee for the continued access to the Licensed Electronic Products has been paid.

#### WARRANTY AND DISCLAIMERS BY WILEY

- 8.1. Wiley represents and warrants that it has the right and authority to make the Licensed Electronic Products available to the Customer and its Authorized Users pursuant to the terms and conditions of this Agreement and that, to the best of Wiley's knowledge, the Licensed Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
- 8.2. Wiley Online Library and the Electronic Products may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.
- 8.3. Except for the warranties provided by Wiley in paragraph 8.1 above,
  - 8.3.a. WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS, AND ALL MATERIALS CONTAINED THEREIN, ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;
  - 8.3.b. THE USE OF THE ELECTRONIC PRODUCTS, WILEY ONLINE LIBRARY, AND ALL MATERIALS IS AT THE AUTHORIZED USER'S OWN RISK:
  - 8.3.c. ACCESS TO WILEY ONLINE LIBRARY AND THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
  - 8.3.d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, OTHER PLATFORMS DESIGNATED BY WILEY, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED IN SUCH PLATFORMS, SHALL BE LIABLE FOR ANY DIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING

# OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, OTHER PLATFORMS DESIGNATED BY WILEY, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.

- 8.4. Wiley will indemnify and hold the Customer harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against the Customer arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or the Customer's use thereof constitutes an infringement of any copyright, patent, or trade secret of any such third party. This indemnity will survive termination of the Agreement for two years. This indemnity will not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if the Customer has failed to comply with other material terms of this Agreement.
- 8.5. The Customer shall give prompt notice of an infringement claim to Wiley, provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and allow Wiley to have the sole control of the defense, provided, however, that the Customer retains the right to participate in the defense at its own expense.

#### **CONFIDENTIALITY PROVISIONS**

- 9.1. While negotiating this Agreement and during the Term thereafter, Wiley may provide the Customer with certain information, which may be oral or written (including information in electronic format), which is deemed confidential. For the purposes of this Agreement, Confidential Information is defined to include, but is not limited to, the terms and conditions of this Agreement that have been negotiated, such as financial terms, the substance of all negotiations relating thereto, all information pertaining to Wiley Online Library (and other platforms designated by Wiley) which is proprietary to Wiley, and any other material which has either been marked "confidential" by Wiley or which, by the nature of the circumstances surrounding the disclosure, would be understood to be confidential by a reasonable party.
- 9.2. The Customer may only use Confidential Information for the purposes of negotiating and implementing this Agreement. The Customer agrees to take reasonable care to protect the Confidential Information from disclosure to third parties and to limit disclosure of the Confidential Information to those employees or contractors of the Customer including affiliates of the Customer who have a need to know in connection with this Agreement, and who have been made aware of, and agree to abide by, these restrictions. When disclosure is legally mandated, the parties will use, whenever possible, a version of the Agreement without Confidential Information.
- 9.3. A redacted version of the Agreement may be made public 30 days after the last day on which it has been duly executed by both parties, and all fees paid by each Customer will be kept confidential and redacted from any public disclosure whenever possible.

#### **GENERAL PROVISIONS**

- 10.1. The Customer and Wiley will work together on a joint communications plan for the announcement of the Agreement, agreeing to the content and timeline for messages to stakeholders (such as librarians, authors, university leaders) as well as public statements and press releases.
- 10.2. Wiley may assign this Agreement to its successors, subsidiaries or assigns. This Agreement may not be assigned by the Customer except with the prior written consent of Wiley.

- 10.3. Prior to taking any legal action, the parties agree to meet and confer in good faith on any matter of controversy, claim, or dispute arising under or relating to this Agreement or a breach thereof (each, a "Dispute"). If the parties are initially unable to resolve the Dispute, they will escalate as appropriate and may, if both parties agree, refer any unresolved Disputes to mediation. Mediation shall be in English and shall be confidential based on the terms acceptable to the appointed mediator.
- 10.4. In the event of a material breach of the terms and conditions of this Agreement by either party, the non-breaching party will be entitled, in addition to any other remedies available pursuant to this Agreement or at law, to equitable, including injunctive, relief.
- 10.5. Notwithstanding any other term in this Agreement, neither Party's delay or failure to perform any provision of this Agreement due to circumstances beyond its control (including, without limitation, war; civil disorder; strike; flood; fire; storm; accident; terrorism; governmental restriction; infectious disease; epidemic; pandemic; public health emergency; embargo; power, telecommunications or Internet failures; damage to or destruction of any network facilities; the enactment of any law, executive order, or judicial decree; or any other circumstance beyond a Party's control whether similar or dissimilar to the foregoing) ("Force Majeure") will be deemed to be, or to give rise to, a breach of this Agreement. The Party claiming Force Majeure will provide written notice of the circumstances (where possible) and will be entitled to a reasonable extension of time for performing such obligations. Where Wiley is claiming Force Majeure, Wiley will be entitled to implement a reasonable alternative where practical under the circumstances and if its inability to perform continues for more than 30 days or it is inadvisable or commercially impractical to perform due to Force Majeure, Wiley may terminate the Agreement without penalty or charge, on written notice, and Wiley's performance will be fully excused.
- 10.6. Any notice, request, statement or other communication to be given hereunder to any party must be in writing addressed to Wiley at the address on page one, attention Executive Vice President and General Counsel, and to the Customer's Agreement Administrator at the address in Schedule 1, or mailed or delivered to such other address as each party may designate by notice given in like manner, and any such notice, request, statement or other communication, will be deemed to have been given when received, except that if mailed by registered or certified mail, return receipt requested, or delivered by overnight courier service, it will be deemed to have been given when mailed as aforesaid or when delivered.
- 10.7. Subject to clause 10.6.a. below, the Agreement constitutes the complete understanding of the parties and supersedes all prior understandings between the parties with respect to the subject matter of this Agreement. No modification, amendment, or waiver of any provisions will be valid unless in writing and executed by the parties. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement will not be considered a waiver of any succeeding or preceding breach. In the event that any paragraph of this Agreement is determined to be void or unenforceable, the remainder of the Agreement will survive.
  - 10.7.a. If there is an existing and valid agreement between Wiley and the Customer for the Licensed Electronic Products for the same term as the Term under this Agreement, Wiley will either issue a credit note or process a refund for any Licensed Electronic Product purchased by the Customer under the previous agreement. This Agreement supersedes all such previous existing agreements and such previous agreements are deemed terminated upon execution of this Agreement. This will not affect any invoice under this Agreement.

The 2020 Database will comprise subscription-based journal titles published on Wiley Online Library (or any platform designated by Wiley) in 2020.

- 1. The list of titles in the 2020 Database is included as Appendix B.1: Journal Title List.
  - 1.1. The titles British Journal of Radiology (BJR) and Dentomaxillofacial Radiology (DMFR) are not available via Wiley Online Library. They may be accessed via the URL <a href="https://www.birpublications.org/action/showLogin">https://www.birpublications.org/action/showLogin</a>.   - 3.2. If a Customer withdraws from the Agreement for any reason before the end of its Term, the withdrawing Customer waives its perpetual access rights gained during the Term. Perpetual access rights gained before the commencement of the Term remain unaffected.
- 4. **Fees**: Fees for access to the 2020 Database are specified in Appendix D to this Agreement.
- 5. **Subscriptions to Journals not included in the Database:** The Customer may subscribe to journals not included in the Database by placing orders directly via Wiley's Journal Customer Service Department at cs-journals@wiley.com or via a subscription agent. This does not apply to:
  - 6.1. Any other Customers;
  - 6.2. Titles published in e-only format by Wiley.
  - 6.3. Titles for which print subscriptions are only available through a Print-on-Demand option. Print on Demand subscriptions are not eligible for any discount.

### APPENDIX C - PUBLISHING PRIVILEGE

### 1. General.

- 1.1. Wiley agrees to the open access publication of Eligible Articles in Hybrid Journals as requested by Eligible Authors through the agreed workflow outlined below. Eligible Authors publishing under this Agreement grant Wiley the right to publish their articles under a Creative Commons license subject to the provisions of their author agreement. Eligible Authors will be able to select the following Creative Commons licenses: Attribution 4.0 International (CC-BY 4.0), Attribution Non-Commercial 4.0 International (CC-BY-NC 4.0), or the Creative Commons license Attribution Non-Commercial Non-Derivative 4.0 International (CC-BY-NC-ND 4.0) for the publishing of their articles. Wiley shall encourage Eligible Authors to publish with the CC-BY license and the publication workflow shall, whenever possible, direct them to CC-BY as the first option.
- 1.2. The Publishing Privilege will commence for articles accepted seven days (or less than seven days subject to Wiley's written confirmation) from the date of Wiley's receipt of the Agreement duly executed by the Customer and the Customer's written commitment about the invoicing of the fees under this Agreement, whichever is later (the "Publishing Privilege Start Date"), and end for articles accepted on and including December 31, 2021.
- 1.3. Under the standard hybrid publication workflow, if the Eligible Author has identified his/her affiliation with a Customer by selecting from a standardized list of institutions in the electronic editorial office submission and Author Services systems, the Eligible Author will be presented with a choice of publishing options. The authors may elect to not publish open access. Wiley will include sufficient information and guidance for Eligible Authors that Eligible Articles are meant to be published open access as part of this Agreement (so long as the correct affiliation of the Eligible Author is captured in Wiley system metadata) and that they do not need to pay a fee for open access publication of their articles.
- 1.4. For any current journals that follow a non-standard hybrid publication workflow, the Eligible Author of any Eligible Articles who has identified his/her affiliation with a Customer in the electronic editorial office submission system will also be presented with a choice of publishing options and Wiley will make reasonable efforts to inform the Eligible Author that the articles are meant to be published open access as part of this Agreement.
- 1.5. The Customer has the right to deny funding requests for articles to be published under this Agreement if an author is not an Eligible Author and is not affiliated to the Customer.

## 2. Wiley's Obligations.

- 2.1. In consideration of the payments listed in this Appendix and subject to the terms and conditions of the Agreement, Wiley will:
  - 2.1.a. not charge an Eligible Author an APC for any Eligible Article submitted by such Eligible Author that is accepted for publication in a Hybrid Journal, provided the Eligible Author submits said material according to Wiley's WOAA workflow and reasonable funds remain in the Customer's WOAA to cover the APC. If an Eligible Author requests Wiley to change the publication basis (i.e. make their article open access when they originally opted not to make their article open access) of their submission prior to publication, Wiley will do so; changes cannot be made post-publication. Any APC incurred outside the WOAA workflow is not covered by this Agreement.
  - 2.1.b. include the Customer in Institutional Account List for all Hybrid Journals as an institutional account holder;
  - 2.1.c. provide a link for the Customer on the Institutional Account List;
  - 2.1.d. identify on Wiley Online Library the articles that are available on an open access basis in the Hybrid Journals;

#### 3. Verification process.

3.1. Eligible Authors will be identified through at least one of the following parameters: their organization name; their e-mail domain persistent identifier, such as Ringgold or another recognized institutional identifier.

- 3.2. The Customer will review the pending request, verify if the author is affiliated with the respective Customer, and approve or deny their article within their Wiley Open Access Account Dashboard ("WOAD"). Requests will be handled promptly by the Customer with the goal of approval or denial of the request within 5 business days. If the Customer requires more than 5 business days for confirming or denying if an author is affiliated, the Customer shall notify Wiley and Wiley will provide an extension for the requested number of days. The article record in the dashboard will include all necessary metadata including, but not limited to, name, ORCID (if provided) and email address of all authors, full name of author's affiliation (e.g., university), acceptance date, journal title, article DOI (if applicable), article title, article type, amount of the APC.
- 4. Editorial Independence. Nothing herein will oblige Wiley to publish any article submitted to Wiley by an Eligible Author. The Customer acknowledges that the selection of material to be published in the Hybrid Journals is entirely at the discretion of Wiley/the editors of the Hybrid Journals and the Customer waives any claim it may have against Wiley in the event that Wiley or its editors refuse or decline to publish any material (or part thereof) submitted by an Eligible Author. An article will be considered to be selected for publication once the Eligible Author has been notified that the article has been accepted and Wiley has received the applicable publishing agreement for the Hybrid Journal signed by the right holder(s) of the article.
- 5. Terms of Publication. The Customer acknowledges that before the version of record is published, the Eligible Author and (if different) the owner of any copyright in such material will be required to agree to the applicable terms and conditions of publication (including without limitation the terms relating to open access). The Customer will ensure requests from Wiley to validate Eligible Authors are answered within 5 business days.
- 6. Fees.
  - 6.1. The annual payment of the Publishing Privilege Fee ("<u>the APC fund</u>" and as set forth in Appendix D) will fund the WOAA balance administered by the Customer.
  - 6.2. The APC levied by Wiley for open access publishing in Hybrid Journals during the Term will be at Wiley article publication charge list price for the journal, which Wiley has discounted for the benefit of the Customer by 15%.
  - 6.3. APCs due for each Eligible Article are deducted from the total annual APC Fund for the Customer on a first-come first-serve basis until such time as the total APC Fund for the current year has been reached.
  - 6.4. If there are funds remaining in the APC Fund of the Customer on December 31, 2021, the remainder of the unspent amount, up to 10% of the total Publishing Privilege Fee as set forth in Appendix D, may be transferred to a new APC Fund that will be used for publishing articles open access in Wiley's full open access journals by April 30th, 2022. If there is a remainder and the Customer elects to exercise this option, Wiley and the Customer will work together to set the necessary WOAA account up.
  - 6.5. In the event that the balance of the APC Fund is no longer sufficient for coverage of any APCs before the end of a given year, the Customer may deposit additional funds in the APC Fund, or the Customer may elect to set up individual WOAA accounts and deposit additional funds in such accounts. Subject to the workflows set forth in paragraph 1.3. and 1.4. of this Appendix and the successful verification of the Eligible Author that they are a member of the Customer within Wiley workflows, APC charges for Hybrid Journal publications made through these WOAAs will be at APC list price for the journal with an agreed discount of 15% applied to that list price.
