Once the affiliation is identified, the Eligible Author will be presented with a choice of

publishing open access. If an Eligible Author follows the WOAA Workflow but did not select open access publishing, and requests Wiley to change the publication basis prior to being published, Wiley will do so, and the Eligible Article will be deducted from the Article Entitlement with respect to such articles published in Hybrid Journals. - 3.6. In Contract Year One only, Customers have the right to apply their Article Entitlement to cover the conversion to open access of articles that satisfy the requirements of 1.8a-b (for Eligible Authors) and that are accepted for non-open access publication in a Hybrid Journal (i.e., a Hybrid Journal as of the date of the acceptance of the article) between the date of the Agreement and the day before the Publishing Right Period (the "OA Conversion Right"). To exercise the OA Conversion Right, Wiley will provide a list of such articles to Customers, Customers must select the articles they would like to convert, Wiley will contact the responsible corresponding author for final approval, and finally, the responsible corresponding

author must confirm the conversion of their article from non-open access to open access publication under Wiley's then-current open access publishing agreement

- 3.7.b. It is the sole responsibility of the CRUE, the Member Institution, or CSIC to verify, within their WOAD, during the Publishing Right Period, that the author qualifies as an Eligible Author (as defined herein). CRUE, Member Institutions, or CSIC will approve or deny requests for verification from Wiley within 5 days. If CRUE, a Member Institution, or CSIC requires more time, they must notify Wiley and Wiley will provide a reasonable extension.
- 3.8. **Editorial Independence.** Nothing herein will oblige Wiley to publish any article submitted to Wiley by an Eligible Author. The Customers acknowledge that the selection of material to be published is entirely at the discretion of Wiley/the editors and the Customers waive any claim they may have against Wiley in the event that Wiley or its editors refuse or decline to publish any material (or part thereof) submitted by an Eligible Author, or retract any material published by Wiley under this Agreement. #### 5. FEES AND CHARGES

#### 5.1. Access & Hybrid Journal Publishing Fees.

5.1.a. Customers shall pay a single, annual, non-refundable commitment fee for the Access Right for the Licensed Electronic Products included under Appendix B and for the Hybrid Journal Publishing Right during each Contract Year (the "Total Fees") as specified in Appendix A. The total Annual Access & Hybrid Journal Publishing Fee and total Article Entitlement under this Agreement is specified below:

	Contract Year One	Contract Year Two	Contract Year Three
Applicable Time Period	2022	2023	2024
Total Article Entitlement per Contract	2,964	3,046	3,168
Year			
Total Annual Access & Hybrid			
Journal Publishing Fee per Contract	€ 7,705,519	€ 7,937,700	€ 8,256,557
Year			

- 5.1.b. The Member Institutions and CSIC shall pay their respective Annual Access & Hybrid Journal Publishing Fees in accordance with the relevant invoice. Wiley shall invoice the Member Institutions separately as per the allocated Total Fees distribution set forth in Appendix A; and CSIC separately for their allocated Article Entitlement and Total Fees as set forth in Appendix A. CRUE will manage the Article Entitlement for its Member Institutions on a first-come, first-served basis, and CSIC will manage their Article Entitlement. Nothing should be assumed from the single fee applied for access and publishing rights. The Article Entitlement for each Contract Year does not roll over into a subsequent Contract Year and expires at the end of final Contract Year (Contract Year Three).
- 5.1.c. If the Article Entitlement is exceeded in any year, Customers may choose to deposit funds into a new WOAA to cover APCs for additional articles, at a discount of 15%. Customers must notify Wiley through the online form provided, requesting the amount of funds to be deposited. Wiley in its discretion may accept the request, set up the new WOAA, and then invoice the Customer for the additional article coverage subject to the terms of this Agreement for Eligible Articles. The amount for each additional article APC will be levied in the same manner as Gold Journal articles described below.
- 5.1.d. Where Wiley transitions a Hybrid Journal to a Gold Journal, Wiley will review the articles published in each transitioning title in the rolling 12-month period prior to the

date on which the transitioned title is published as a Gold Journal. If Wiley determines any of the Article Entitlement in any Contract Year transitioned to a Gold Journal (meaning an Eligible Article was published in Hybrid Journal transitioned to a Gold Journal), then on agreement of the parties prior to invoicing for a subsequent Contract Year, Wiley will (i) increase the Gold APC Fund by the full then-current APC value of the Eligible Articles published in a transitioned title (less agreed discount, if any); and (ii) reduce the Article Entitlement by the same number of Eligible Articles. The Gold APC Fund will be allocated internally by Wiley from the Total Fee as laid out in 5.3, which will not change as a consequence of this clause. The allocation to the Gold APC Fund may grow each Contract Year, in response to the cumulative APC value of articles in Hybrid Journals that have transitioned to a Gold Journal throughout the Term of the Agreement.

- 5.1.d.i. The first adjustment covering January 1, 2021 December 31, 2021 (related to articles in transition from the prior agreement between the parties to this Agreement), for transitions of a Hybrid Journal to a Gold Journal under this section 5.1.d. is already included in the Gold APC Fund under Section 5.2.
- 5.1.d.ii. The payment of fees from the Gold APC Fund under this section 5.1.d. is on a first-come, first-served basis in accordance with section 5.2. of this Agreement.
- 5.2. **Gold Journal Publishing Fees**. Customers shall pay for the publication of Eligible Articles in Gold Journals from the funds available in a Gold APC fund, which will fund the WOAA balance administered by CRUE and CSIC (the "Gold APC Fund"). The amount of the Gold APC Fund will be determined in Contract Years Two and Three according to the process set forth in Section 5.1.d. The APC levied by Wiley for open access publishing in Gold Journals will be at the Wiley APC for the journal. Wiley will deduct APC's due for each such Eligible Article from the total annual Gold APC Fund on a first-come, first-served basis until the Gold APC Fund for the Contract Year is depleted.

	Contract	Contract Year	<b>Contract Year</b>
	Year One	Two	Three
Gold APC Fund	€ 33,715.00	€33,715.00	€33,715.00
		(subject to	(subject to
		adjustment under	adjustment under
		section 5.1.d.)	section 5.1.d.)
			,

- 5.2.a. Funding requests are approved by CRUE and CSIC on submission of the article. If the article is accepted for publication and the APC Fund is depleted, Wiley will invoice Customers directly in accordance with Wiley's invoicing schedule and Customers shall pay such invoice having already approved the funding request.
- 5.2.b. If CRUE, its Member Institutions, and CSIC spend less than the Gold OA APC Fund each year, Wiley will transfer the excess funding towards the agreed Gold APC Fund for the following Contract Year, up to Contract Year Three of the Agreement.
- 5.2.c. Sections 5.1.d, 5.2.a, and 5.2.b. notwithstanding and subject to the execution of a separate agreement between Wiley and the Member Institution or CSIC, Member Institutions and CSIC will have the option to establish their own WOAA and deposit funds in it to publish articles in Gold Journals. The APC levied by Wiley for open access publishing in Gold Journals under this Section 5.2.C. will be at the Wiley APC for the journal, which Wiley will discount for the benefit of the Member Institution or CSIC as set forth in the table below ("Gold APC Discount"):

Deposit Amount	Gold APC Discount
50,000.00 EUR – 99,999.00 EUR	7%
100,000.00 EUR – 149,999.00 EUR	10%

  - 5.6.c. Except as specifically set forth in the Invoice Agreement Letter (or written acceptance via email as set forth above), the terms and conditions of this Agreement (including updated Appendices) will continue to apply.
- 5.7. Each Customer is responsible for the payments as set forth in the attached Appendices and invoices issued under this Agreement. If Member Institutions or CSIC fails to pay Wiley any fee when due (the "Nonpaying Party"), then, in addition to all other remedies available under this Agreement or at law (which Wiley does not waive by the exercise of any right under this Section 5.6):

    - 5.7.b.ii. Wiley may immediately terminate this Agreement with regard to the Nonpaying Party. Wiley will reduce the total Consortium Article Entitlement per Contract Year set forth in Section 5.1.a. by the percentage of the Total Fees detailed in Appendix A per Contract year attributed to the terminated Customer for the unfulfilled Term of the Agreement in relation to the Total Fees for the same period.

- 5.7.c. Wiley will use best efforts to inform CRUE in a timely manner for any delay in payment owed by Member Institutions, and CRUE will use best efforts to work with such Member Institution to comply with their payment obligations and immediately rectify any delayed payment.
- 5.7.d. If during any Contract Year the aggregate amount of payments overdue by Nonpaying Parties' for the previous Contract Year reaches 10 % or more of the Total Fees under section 5.3 due for Contract Year 1, all pricing terms of this Agreement will be subject to renegotiation.
- 5.8. Wiley may issue the relevant invoice through the US entity or any of its affiliates.
- 5.9. Subject to Wiley's approval, in addition to those Member Institutions listed in Schedule 1 and Appendix A, new institutions may join the Agreement for an additional fee and article entitlement and on execution of a Sign-Up Letter, Invoice Agreement Letter, or an amendment to this Agreement. The inclusion of joining Member Institutions will be effective from January 1 of the Contract Year following the execution of the Sign-Up Letter, Invoice Agreement Letter, or amendment, unless otherwise agreed by the parties.

#### 6. MUTUAL OBLIGATIONS

- 6.1. In addition to the obligations set forth herein, Wiley will:
  - 6.1.a. make reasonable efforts to ensure uninterrupted online access to and continuous availability of the Licensed Electronic Products to Authorized Users in accordance with this Agreement, and to restore access to such Licensed Electronic Products as promptly as possible in the event of an interruption or suspension of the Wiley Online Library service which is not attributable to any third-party service provider over which Wiley has no control (e.g., an Internet or telecommunications service provider.
  - 6.1.b. provide aggregate usage statistics to CRUE and CSIC which are compliant with COUNTER Codes of Practice or conform to the then-prevailing industry standard (except as otherwise specified in the attached Appendices) about the use of the Licensed Electronic Products by the Customers' Authorized Users, consistent with applicable privacy laws and confidentiality requirements.
  - 6.1.c. Wiley will provide a Customer Success Manager (CSM) who works alongside the Customer's account manager, to ensure Member Institutions and their Authorized Users have the resources and support needed to gain the most value from the partnership with Wiley.
- 6.2. In addition to the obligations set forth herein, the Customers will:
  - 6.2.a. take all reasonable measures to inform Authorized Users of the Terms and Conditions of Use stated above in Section 4 above, and to emphasize to such Authorized Users the need to comply with whatever restrictions on access, use, reproduction and transmission are included therein;
  - 6.2.b. make access available to Authorized Users only through the Customers' Secure Network and using the authentication method(s) and valid parameters set forth in Schedule 1 or other secure authentication methods as described in the appropriate Appendix; undertake reasonable measures within its control to prevent access to and improper use of Wiley Online Library, the Licensed Electronic Products, WOAA and WOAD by unauthorized persons; and take responsibility for remediating all issues uncovered and for terminating any unauthorized access of which it has actual notice or knowledge;

- 6.2.c. provide Wiley with information in Schedule 1 about the Customers' specific authentication method and valid parameters which can be used by Wiley to authenticate Authorized Users. The Customers represent that all such authentication method and parameters will be limited to the Customer's Secure Network and will be listed in Schedule 1 as updated from time to time. The Customers are responsible for ensuring that all specific authentication methods and valid parameters as listed in Schedule 1 or otherwise provided to Wiley correspond with the Customers' valid parameters and are limited to the physical addresses specified in this Agreement. Without limiting the Customers' obligations hereunder or Wiley's rights and remedies in the event of breach, the Customers agree to pay Wiley, if Wiley so elects, for any access to Wiley Online Library for any parameters that do not meet the criteria set forth in this Sections 6.2.b and 6.2.c.
- 6.2.d. use all reasonable efforts to monitor compliance with the Terms and Conditions of Use and promptly notify Wiley of any infringement of its Intellectual Property Rights or unauthorized usage of the Electronic Products, which comes to the Customers' attention; and cooperate with Wiley in the investigation of such infringement or unauthorized use and in actions, which Wiley takes to enforce its Intellectual Property Rights, at Wiley's expense. Notwithstanding the above, Customer will not be responsible for such unauthorized use which is without the express or implied consent of the Customer, provided that the Customer has taken reasonable steps to prevent such misuse and, upon learning of it, uses all reasonable efforts to ensure that such activity ceases, and notifies Wiley promptly of any such breach or infringement.
- 6.2.e. except with respect to material published on an open access basis, neither the Customers nor any Authorized User has the right to incorporate any material from the Electronic Products into any institutional or other repository. Author agreements are separately negotiated with Wiley and include provisions about what authors may and may not do with respect to materials authored by them and published by Wiley (including social networking websites and scholarly collaboration networks, except for those that have agreed to Wiley's Article Sharing Policy found here: <a href="https://onlinelibrary.wiley.com/researchers/tools-resources/article-sharing">https://onlinelibrary.wiley.com/researchers/tools-resources/article-sharing</a>).

#### 7. PRIVACY AND DATA PROTECTION POLICY

7.1. Wiley recognizes the importance of protecting the information it collects in the operation of Wiley Online Library and will act in compliance with the Privacy Policy posted at <a href="https://www.wiley.com/en-us/privacy">https://www.wiley.com/en-us/privacy</a>.

#### 8. TERM AND TERMINATION

- 8.1. The Term of this Agreement is three years commencing on January 1, 2022 and ends on December 31, 2024 (the "Term"). Each year within the Term is a "Contract Year" (unless the Parties agree to a shorter time period for any Contract Year as specified in Section 5.1).
- 8.2. During the term of each applicable Appendix, the Customers may license additional Electronic Products under such Appendix and this Agreement. If the Term of the Agreement as set forth in Section 8.1. is extended, the term of the applicable Appendix will be automatically extended to run concurrently with the Term in order to allow the Customers to continue to license additional products under such Appendix in subsequent years. Notwithstanding anything to the contrary, the Appendix term may never exceed the Term.
- 8.3. Either party may terminate this Agreement if the other party materially breaches its obligations under this Agreement and fails to cure such material breach, provided that the non-breaching party will give written notice of its intention to terminate and will allow the breaching party 60 days after receipt of such notice to remedy the breach, provided, however that CSIC and CRUE may not terminate on breach of the other.

- 8.4. Upon expiration or termination of this Agreement, the parties agree to work together in good faith to negotiate a new agreement. With the exception of any perpetual access rights as set forth in each applicable Appendix,
  - 8.4.a. the Access Rights herein will terminate on the earlier of the expiration or termination of this Agreement; and
  - 8.4.b. the Publishing Rights herein will terminate on the earlier of8.4.b.i. the expiration of the Publishing Right Period; or8.4.b.ii. expiration or termination of this Agreement.
  - 8.4.c. Wiley in its sole discretion may extend access to the Licensed Electronic Products for a limited period of time during the negotiation of a new agreement and subject to the Terms and Conditions of Use and the Customer obligations in Section 6.2.

#### 9. WARRANTIES AND DISCLAIMERS

- 9.1. Wiley represents and warrants that it has the right and authority to make the Licensed Electronic Products available to the Customers and their Authorized Users pursuant to the terms and conditions of this Agreement and that, to the best of Wiley's knowledge, the Licensed Electronic Products do not infringe upon any copyright, patent, trade secret or other proprietary right of any third party.
- 9.2. Wiley Online Library, the Electronic Products, WOAA, and WOAD may provide Authorized Users with links to third-party websites. Where such links exist, Wiley disclaims all responsibility and liability for the content of such third-party websites. Authorized Users assume sole responsibility for the accessing of third-party websites and the use of any content on such websites.
- 9.3. Except for the warranties provided by Wiley in Section 9.1 above,
  - 9.3.a. WILEY ONLINE LIBRARY, WOAA, WOAD, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE, OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE;
  - 9.3.b. THE USE OF WILEY ONLINE LIBRARY, WOAA, WOAD, THE ELECTRONIC PRODUCTS, AND ALL MATERIALS CONTAINED THEREIN IS AT THE AUTHORIZED USER'S OWN RISK;
  - 9.3.c. ACCESS TO WILEY ONLINE LIBRARY, WOAA, WOAD, THE ELECTRONIC PRODUCTS MAY BE INTERRUPTED AND MAY NOT BE ERROR FREE; AND
  - 9.3.d. NEITHER WILEY NOR ANYONE ELSE INVOLVED IN CREATING, PRODUCING OR DELIVERING WILEY ONLINE LIBRARY, WOAA, WOAD, THE ELECTRONIC PRODUCTS, OR THE MATERIALS CONTAINED THEREIN, WILL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE AUTHORIZED USER'S USE OF OR INABILITY TO USE WILEY ONLINE LIBRARY, WOAA, WOAD, THE ELECTRONIC PRODUCTS AND ALL MATERIALS CONTAINED THEREIN.
- 9.4. Wiley will indemnify and hold Customers harmless from and against any damages, costs and fees (including reasonable attorney's fees) resulting from any judgment against Customers arising out of the claim of a third party that Wiley's license of the Licensed Electronic Products or Customer's use thereof constitutes an infringement of any copyright, patent, or trade secret

of any such third party. This indemnity will survive termination of the Agreement for two years. This indemnity will not apply if the claim involves content which has been modified or used in a manner not permitted under this Agreement or if Customers have failed to comply with other material terms of this Agreement.

- 9.5. Customers must give prompt notice of an infringement claim to Wiley, provide such cooperation and assistance to Wiley as is reasonably necessary to defend the claim, and allow Wiley to have the sole control of the defense, provided, however, that the Customers retain the right to participate in the defense at its own expense.
- 9.6. CRUE and CSIC represent and warrant that they have been granted the authority to sign this Agreement on behalf of their Member Institutions and will compensate, indemnify, and hold Wiley harmless from and against any damages, costs and fees (including reasonable attorney's fees) as a result of such warranty being incorrect or misleading. This indemnity will survive the termination of the Agreement.

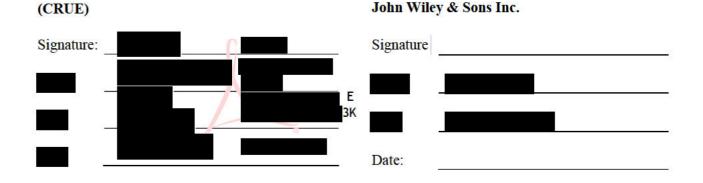

#### **10. CONFIDENTIALITY PROVISIONS**

- 10.1. While negotiating this Agreement and during the Term thereafter, Wiley may provide the Customers with certain information, which may be oral or written (including information in electronic format), which is deemed confidential. For the purposes of this Agreement, Confidential Information is defined to include, but is not limited to, the substance of all negotiations relating thereto, all information pertaining to Wiley Online Library which is proprietary to Wiley, and any other material which has either been marked "confidential" by Wiley or which, by the nature of the circumstances surrounding the disclosure, would be understood to be confidential by a reasonable party.
- 10.2. The Customers may only use Confidential Information for the purposes of negotiating and implementing this Agreement. The Customers agree to take reasonable care to protect the Confidential Information from disclosure to third parties and to limit disclosure of the Confidential Information to those employees or contractors of the Customers including affiliates of the Customers who have a need to know in connection with this Agreement, and who have been made aware of, and agree to abide by, these restrictions. When disclosure is legally mandated, the parties will use, whenever possible, a version of the Agreement without Confidential Information.
- 10.3. A redacted version of the Agreement agreed by Wiley, CRUE, and CSIC may be made public 30 days after the last day on which it has been duly executed by both parties, which redacted version will comply with the then-current applicable Spanish statutory provisions.

#### **11. GENERAL PROVISIONS**

- 11.1. CRUE, CSIC and Wiley will work together on a joint communications plan for the announcement of the Agreement, agreeing to the content and timeline for messages to stakeholders (such as librarians, authors, university leaders) as well as public statements and press releases.
- 11.2. Wiley may assign this Agreement to its successors, subsidiaries or assigns. This Agreement may not be assigned by the Customers except with the prior written consent of Wiley.
- 11.3. Prior to taking any legal action, the parties agree to meet and confer in good faith on any matter of controversy, claim, or dispute arising under or relating to this Agreement or a breach thereof (each, a "Dispute"). If the parties are initially unable to resolve the Dispute, they will escalate as appropriate and may, if both parties agree, refer any unresolved Disputes to mediation. Mediation shall be in English and shall be confidential based on the terms acceptable to the appointed mediator.

- Notwithstanding any other term in this Agreement, neither Party's delay or failure to perform 11.4. any provision of this Agreement due to circumstances beyond its control (including, without limitation, war; civil disorder; strike; flood; fire; storm; accident; terrorism; governmental restriction; infectious disease; epidemic; pandemic; public health emergency; embargo; power, telecommunications or Internet failures; damage to or destruction of any network facilities; the enactment of any law, executive order, or judicial decree; or any other circumstance beyond a Party's control whether similar or dissimilar to the foregoing) ("Force Majeure") will be deemed to be, or to give rise to, a breach of this Agreement. The Party claiming Force Majeure will provide written notice of the circumstances (where possible) and will be entitled to a reasonable extension of time for performing such obligations. Where Wiley is claiming Force Majeure, Wiley will be entitled to implement a reasonable alternative where practical under the circumstances and if its inability to perform continues for more than 30 days or it is inadvisable or commercially impractical to perform due to Force Majeure, the parties will renegotiate the terms set forth in this Agreement to mitigate the effects of the Force Majeure and Wiley, CRUE and CSIC will conduct all such renegotiations in good faith.
- 11.5. Any notice, request, statement or other communication to be given hereunder to any party must be in writing addressed to Wiley at the address on page one, attention Executive Vice President, and to the Customer's Agreement Administrator at the address on Schedule 1, or mailed or delivered to such other address as each party may designate by notice given in like manner, and any such notice, request, statement or other communication, will be deemed to have been given when received, except that if mailed by registered or certified mail, return receipt requested, or delivered by overnight courier service, it will be deemed to have been given when mailed as aforesaid or when delivered.
- 11.6. This Agreement with Wiley internal number 00019747.0 constitutes the complete understanding of the parties and supersedes all prior understandings between the parties with respect to the subject matter of this Agreement. No modification, amendment, or waiver of any provisions will be valid unless in writing and executed by the parties. Any waiver in one or more instances by either of the parties of any breach by the other of any terms or provisions contained in this Agreement will not be considered a waiver of any succeeding or preceding breach. In the event that any section of this Agreement is determined to be void or unenforceable, the remainder of the Agreement will survive.
- 11.7. The Parties waive any rule of construction that requires that ambiguities in this Agreement be construed against the drafter.
